

# Las Olas Beachclubs of Cocoa and Satellite Beach

We do not have frequent openings but would like to keep abreast of anyone who has the skills and interest in assisting our operations.

We are staffed with:

- Clerical/bookkeeping/reservations/check-ins/management.
- Hospitality for on-site functions/shopping /cooking/hosting.
- Maintenance men for full and part time positions/pools/custodial.
- On-site maintenance/security/emergency for after-hours response (for homebodies...).

Clerical and hospitality may overlap depending upon the candidate and position and maintenance/onsite response may overlap as well.

We are open 7 days a week and one or more weekend days may be necessary, depending upon the candidate and position.
